Yes, Melissa it is the same material. Jim has already responded to the doodle poll but Kelly has not yet. Should I send him a reminder?

Hi Melissa

We are hoping for more than a strictly technical discussion. The materials that are mentioned in the agenda are the same ones that we have sent for a previous meeting. I won't be able to send these before Tuesday.

Helen can you send your material on these items so we can get our technical folks prepared and the managers briefed.-thanks

I thought we were going to get an agenda so we could make sure we have the correct folks there. Want to avoid similar situation as last meeting where it looked like we had the wrong folks. If you can send us a draft agenda that would be great then we will determine the right folks on our end—thanks.

Hi Melissa

I see that no one other than Jim Bellatty from Ecology have participated in the Doodle poll yet. I am sorry that we have not yet set up an agenda, is that going to be necessary before Ecology can participate in the poll? If you have any other questions please contact me.

Helen—we are trying to determine who needs to attend this meeting. Can you send us an agenda and who you have invited and then we can figure out who needs to respond to the poll and attend. Thanks--
Melissa
